

Brewer's Yeast

For better condition and stamina

Brewer's Yeast is a natural food with health promoting properties. Brewer's Yeast is rich in natural vitamins (including the B complex), minerals, proteins, amino acids and trace elements. These are important for the condition and form of your pigeons. Give your pigeons Brewer's Yeast at least once a week, with Garlic Oil all year round.

Dosage

- 1 measuring spoon for 1 kg food during 1-2 days per week (for 40-50 pigeons or 20kg body weight of birds)
